

# Bios Life™

Advanced Heart Health Solution

## Bios Life™ is Featured in Healthy Times Magazine

The magazine cover features a woman with long dark hair wearing a yellow and orange striped dress. The title 'Healthy Times' is in large orange letters. Text on the cover includes 'Inspires healthier living', 'VOL.26 2008', 'S\$3.20', 'Covergirl: Mei Xin - The Next Big Thing. On looking good and keeping fit', 'Keeping a lid on back pain: A Chiropractor shows you how', 'Aging gracefully, aging healthily', and two 'Win! Win! Win!' banners. One banner mentions a 'fabulous Cameron Highlands getaway worth S\$880' and the other mentions 'Total Well Members worth S\$880 from Sky Fi'.

●● product feature

### Bios Life

A white box of Bios Life Advanced Fiber & Nutrient Drink stands next to three white sachets. The box features a green and blue design with a leaf motif. The sachets are smaller and also feature the product name and leaf design.

A natural patented mixture of 5 very soluble fibre, Bios Life works on the digestive tract, with the calcium carbonate it contains producing a bubbling effect that enhances the effect on cholesterol. Bios Life also contains three other cholesterol-optimizing ingredients: phytosterols, policosanol, and Chrysanthemum morifolium.
